## DDS REVIEW PROCEDURE

In order to permit the Doctrine Development Staff to perform its function of reviewing training material, the following procedure is instituted:

- a. All lesson folders from all courses given by TRD will be routed to DDS by the Research Materials Office in accordance with a schedule to be worked out by consultation between Chief, DDS, and Deputy Chiefs of Training, and approved by Chief, TRD.
- b. Initial review reports (prototype attached) will be forwarded by DDS to Chief Instructors through the appropriate Deputy Chief, TRD, for information, concurrence and action.
- e. A second review of revised lesson folders will be made upon re-submission of the revised lesson folders to RiO and a system of cusponse dates will be instituted by DES to ensure periodical review of all material in the future.
- that NHO is promptly advised of new material incorporated or old material dropped, and NHO will ensure that lesson folders or amondments to lesson folders are transmitted to DDS for review as soon as received, for examination and comment.
- e. DS will, upon the instruction of the Chief, TRD, or at the request of the appropriate Deputy Chief, TRD, arrange to make any special reviews which are considered desirable.
